COMMITTEE OR OFFICER REPORTS:

Zoning administrator Brege updated the board and said he had one new land use permit for a garage on vacant property. He received a site plan for the trailer park and will put it in the zoning records. He said they are in good shape with the state. He noted that Harry Harvey from the building department dropped off documents for the rules and regulations for the trailer park. Supervisor Brege said in his opinion the building and the health department already have jurisdiction over it and he feels it is not necessary for the township to also have jurisdiction over it. If the board would like to see the paperwork he would be happy to bring it in. Cindy asked about the trailers and if they were assessed. Assessor Somers said only the property and improvements are assessed and she would have to collect the \$3.00 per trailer each month. Supervisor Brege will forward Kyle Selden's email to Cindy so she can write him a letter stating about collecting on the trailers occupied at the trailer park. Supervisor Brege will follow up on the Trask Lake Road blight issues.
