PUBLIC COMMENT:

Road Commissioner Ted Somers reported that the Barlow Road project will be submitted to MDOT in October for next year construction. The wash barn is moving forward and they hope to have something in place by fall or next Spring.

Reporting as Assessor he noted that since the township has been doing our own tax rolls, he recently found out that the Equalization department will no longer be providing the township with all the recorded deeds. He got in touch with Missy from the Register of Deeds office and provided her with MCL21127A-Subsection 10. The Register of Deeds will provide him with all the recorded documents for Gustin Township from now on. He was disappointed that the county had not contacted him and he had to find that out on his own.

Motion by Goddard, seconded by Ginder to approve the July minutes as presented.

MOTION CARRIED

Treasurer Leeseberg discussed with the board the Treasurer's report thru July 31, 2019. She noted the expenses and the deposits. She balances with the Clerk and the bank.
