COMMITTEE OR OFFICER REPORTS:

Zoning: Trustee Fulsher updated the board on the last Quarterly meeting of September. She said that John Schlicker was concerned about the garbage at the boat launch at Trask Lake Rd. He has had a garbage can there and it is now overflowing with household trash. He has been trying to find out who would be responsible for the trash. He is not having any luck. He has pulled the garbage can because he has to pay for it. She also told the board they discussed having a survey done and having a link to it put on Facebook and the webpage. The survey would be to try to get information from Gustin Township residents on what they would like to see improved or added to Gustin Township and what the problems of Gustin Township may be. They would have to provide their address to verify they are Gustin Township residents.

Treasurer Leeseberg told the board about a letter she received from the Lincoln DDA and an email from the Lincoln DDA auditor. They were asking her for payment of the 2019 and 2020 levy for the Gustin Township Fire Funds they didn't think they received. Leeseberg investigated with the County Treasurer and with Huron Community Bank. She has information they did in fact receive the money for both years and have cashed the checks. She has spoken with Evelyn at the DDA and the auditor and they both have informed her they had made a mistake and they have in fact received the money. Leeseberg asked them both to provide her with a letter stating it was their mistake.

Goddard left the meeting at 6:55 pm.
